3. Business arising from the minutes of last meeting .

The move to St.Marys was discussed between various members of the centre executive and administrative People at St.Marys . Wanda Robinson indicated that we might have to pay to be guaranteed the 255 room at St.Marys . Since we had explained to Gary Welch and Colin Dodds that the centre was looking to acquire a meeting room for free in exchange for any assistance the centre might be able to offer to the astronomy department. We believed that there had been a slight misunderstanding, the members of the executive will restate that we prefer 255 but will accept other rooms in Sobey if it is unavailable for a certain month.
